September 2022

Dear Gardener

Thompson & Morgan Horticultural Group Scheme

This year we are running the Thompson & Morgan horticultural group scheme slightly differently and you are now able to order directly from us.

Group Discount – You, as a member of the Riseley Gardening Club, are entitled to 50% discount off packet seed and 15% off other live products*.

On the reverse of this letter is an order form and in the top right-hand corner you will find your new unique group keycode for 2023.

Your 2022/23 Code is TM_GT132K

This key code drives your discount and must be quoted whenever you place an order by post, phone or online, you can use it throughout the year but it cannot be applied retrospectively, so remember to keep a note of your code. When you order we'll also need to know your email address so that we can update you on the progress of your order and send you newsletters and email offers if you agree to this.

Payment - Payment will be taken at the time the order is placed.

Despatch - Your orders will be despatched direct to the address given when you place your order. Carriage charges will apply as detailed in our catalogue.

We hope you will enjoy browsing through our latest Seed Catalogue, which contains our complete seed range as well as a selection of potatoes, onions, fruit and equipment. But remember, our full range is all online so do take a look at our website www.thompson-morgan.com. Just quote your unique offer code at the basket page for your discount to be applied.

We look forward to supplying your gardening needs throughout 2023.

Best wishes.

Thompson & Morgan
